

Enhance Your Risk Management Career by Joining Experts in the Field

Government agencies are under **increasing pressure to perform their missions more efficiently and effectively**, while the types of challenges facing government are becoming more complex. **Enterprise Risk Management (ERM) improves an organization's ability to identify risks** and establish appropriate responses, reducing surprises, and increasing the likelihood of mission success. The Association for Federal Enterprise Risk Management (AFERM) helps agency leaders, managers and employees by **providing a wide range of tools, resources, forums, and solutions to become effective risk managers**.

AFERM's **diverse membership base** includes a wide range of both public and private sector experts with a mix of interests, talents and experiences. AFERM's membership makes up a robust community that creates **new opportunities to enhance your career** and opportunities to:

- **Gain insights, share ideas, and develop relationships** with innovators and leaders in ERM and risk management. Stay connected with your peers at training events and the Annual ERM Summit, and online through the AFERM Resource Library, podcasts and webinars.
- **Leverage discounts on training events**, such as the Annual ERM Summit, online events, and more. Members can earn up to 10 Continuing Professional Education (CPE) hours annually.
- **Access the most up-to-date** opinions on standards, best practices, emerging trends and the rapidly evolving landscape of ERM.
